Route description

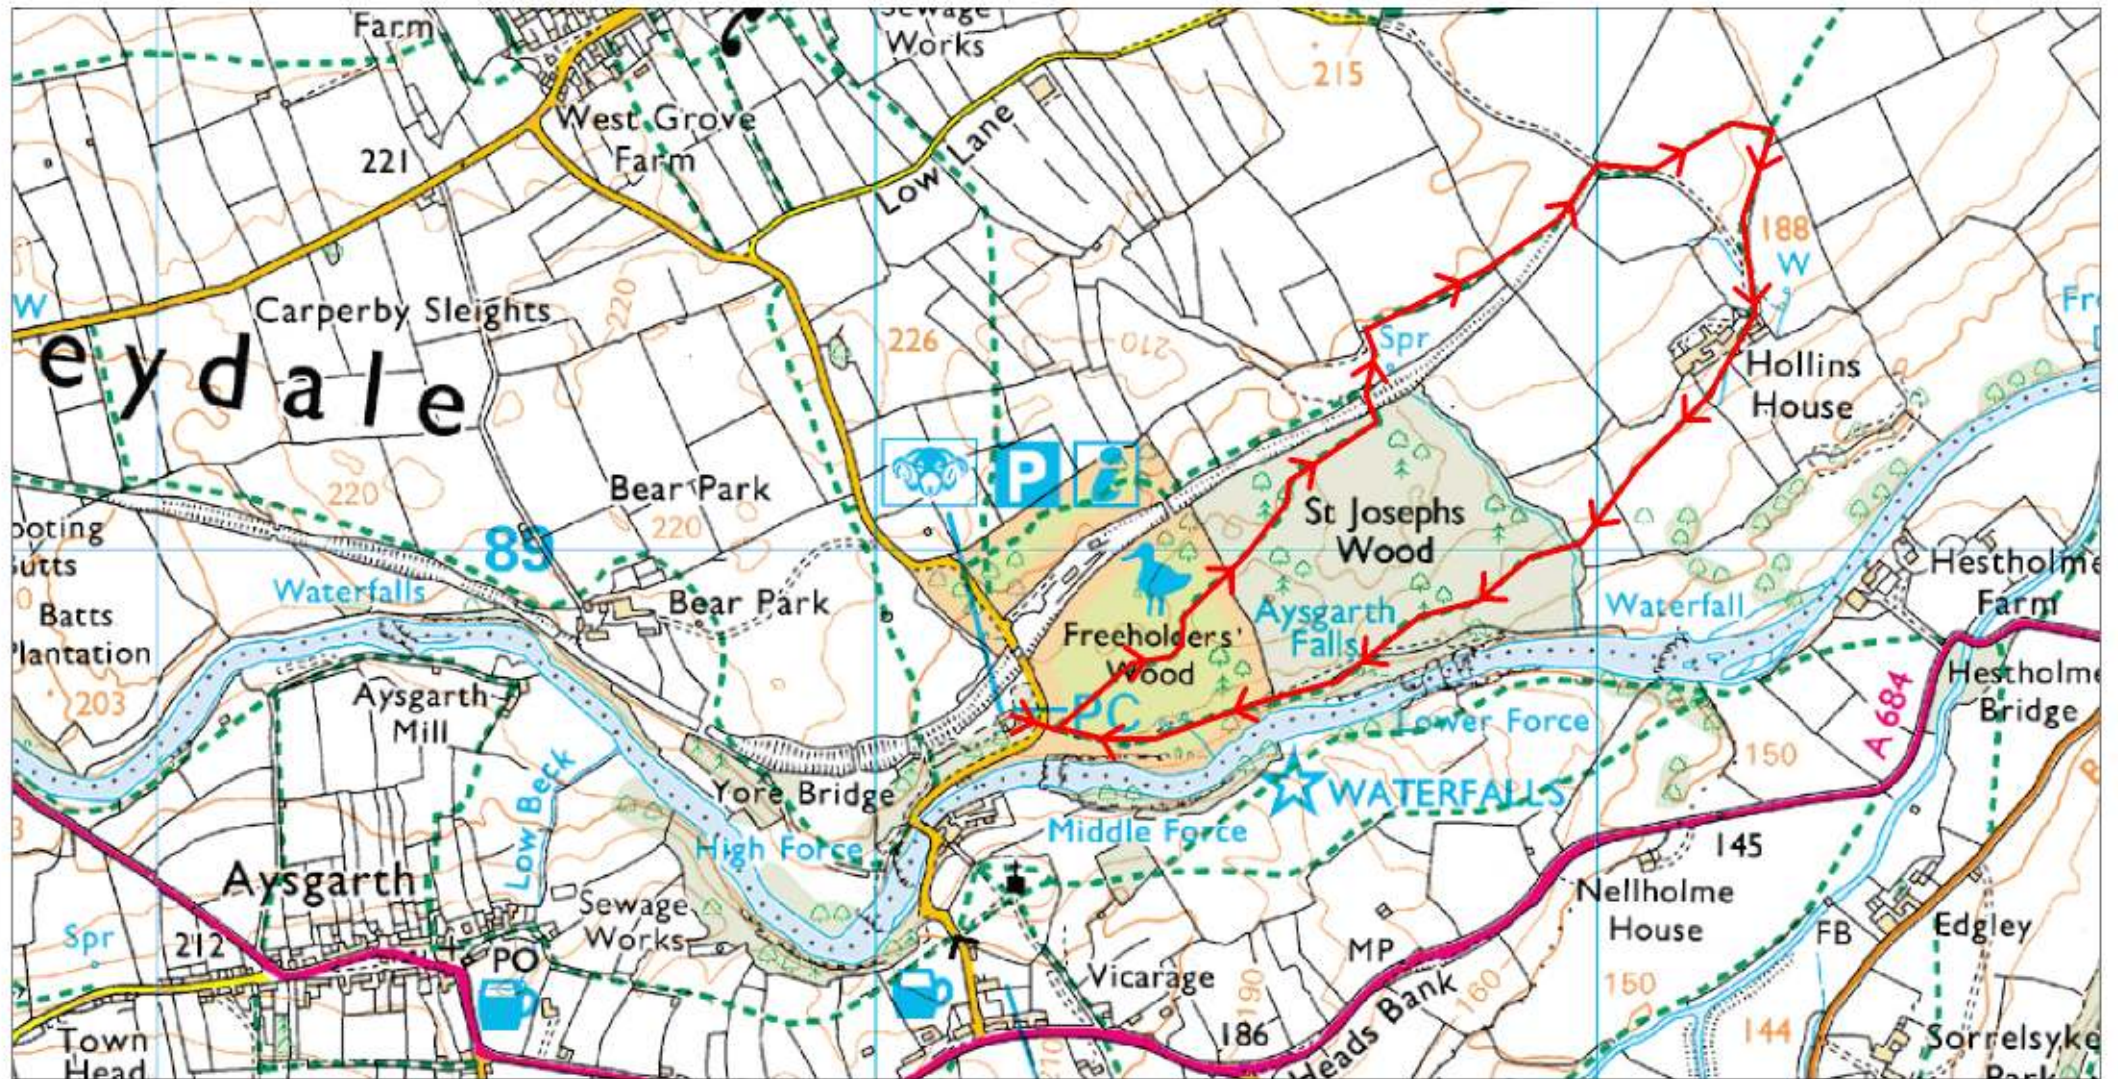

Leave the National Park Centre and cross the road, signed to Lower and Middle Falls. Do not follow the main path, but take the footpath to the left. This is followed through woodland to emerge in a field after crossing the old railway line. Turn right and follow the footpath through fields and then around to the right to Hollins House farm. Go through the farmyard and leave through the red gate. A gentle descent through fields and a grassy path returns you to the main path past the Falls. A side trip can be made to view Lower Falls, before the easy return to the National Park Centre.
